Dear: Ms Paula

I am writing to you to find out why? I don't have a sentencing date, I understand it takes some time but I enter a plea about 8 months ago, so I am just hoping that I can get sentence, so that I can move on and get home to my family. Because as of right now my sister and uncle are about to die, and I just wanted to be sentenced so that I can give my family a coming home date, so can you please look into this matter as soon as possible,

Thank you for all that you do?

Sincerely your
Dayshon Richardson
